

# MARIN & HYDRAULIC

Engineering at the Highest Standards. —————●

Company Profile

2025

# About Us

---

## Who We Are

Our mission is to produce safe, long-lasting marine equipment that blends aesthetics with functionality through the highest engineering standards. We remain customer-focused, offering flexible and rapid solutions tailored to the specific needs of each project.

**ARGEMAR**  
MARIN & HYDRAULIC

## What We Offer

# Our Service

### ***Hydraulic Marine Equipment***

We design and manufacture high-quality hydraulic gangways, transformer platforms, and deck cranes, engineered from 316L stainless steel for maximum durability and performance.

### ***Custom Engineering & Design***

Our expert engineering team provides bespoke solutions, tailoring our products to meet the unique structural, functional, and aesthetic needs of your specific yacht project.

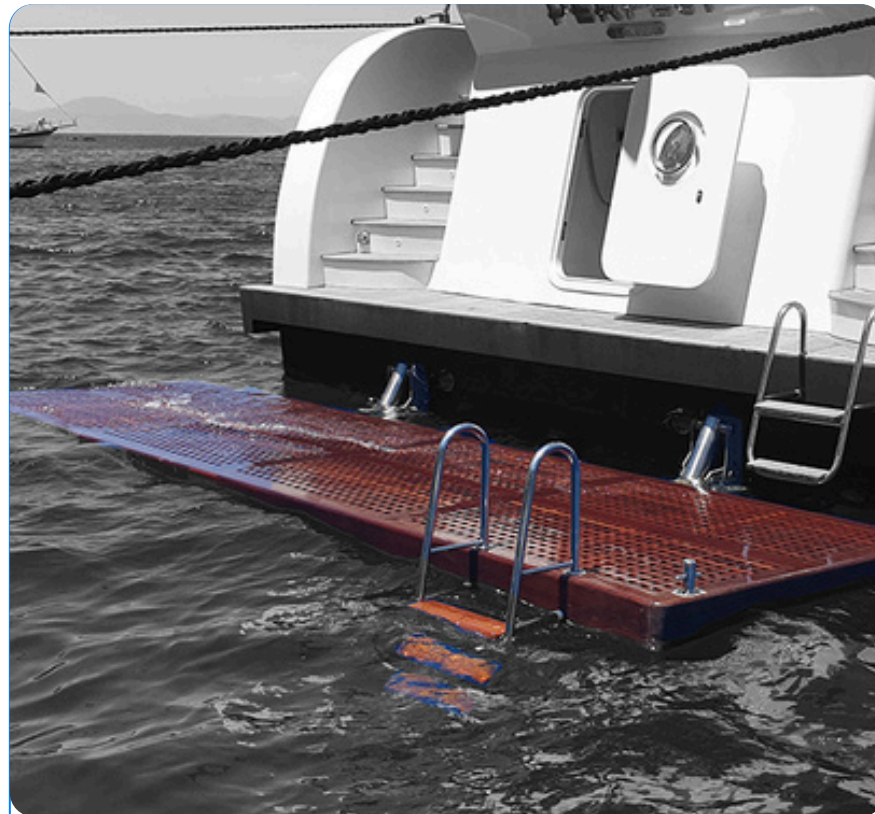

### ***Shipyard Solutions***

We provide heavy-duty shipyard solutions, including hydraulic boat transporters and hoists, alongside comprehensive installation, maintenance, and after-sales support for all our equipment.

# Our Core Solutions

• *Trusted Marine Systems*

## **MARINE SOLUTIONS**

Design and manufacture of hydraulic equipment that provides deck access and connection to the sea for yachts, including gangway, crane, and platform systems.

## **SHIPYARD MOTION**

Specialized, high-capacity transport vehicles developed for the land transport and maneuvering of heavy loads and vessel hulls in shipyard environments.

## **HYDRAULIC POWER**

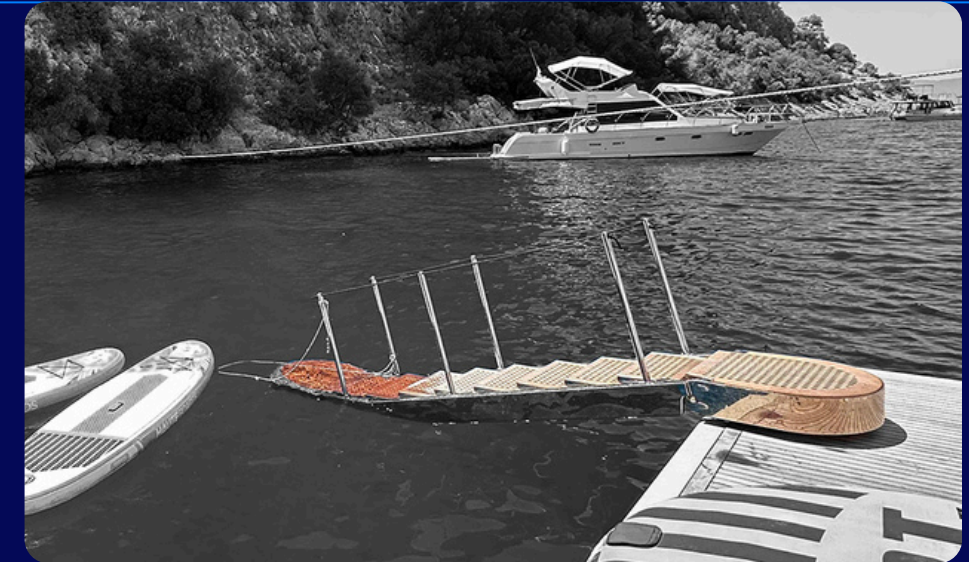

Special hydraulic cylinders made of stainless steel suitable for the marine environment, and compact power units compatible with vessel voltage to feed these cylinders.

# MARINE SOLUTIONS

**HYDRAULIC LIVING SPACES**

**GANGWAY SYSTEMS**

**SEA LADDERS**

**MOVING PLATFORMS**

“

**This large, stable terrace is engineered for swimming, sunbathing, and launching water toys (like jet skis or paddleboards), providing safe, one-touch access to the sea."**

[www.argemar.com.tr](http://www.argemar.com.tr)

“

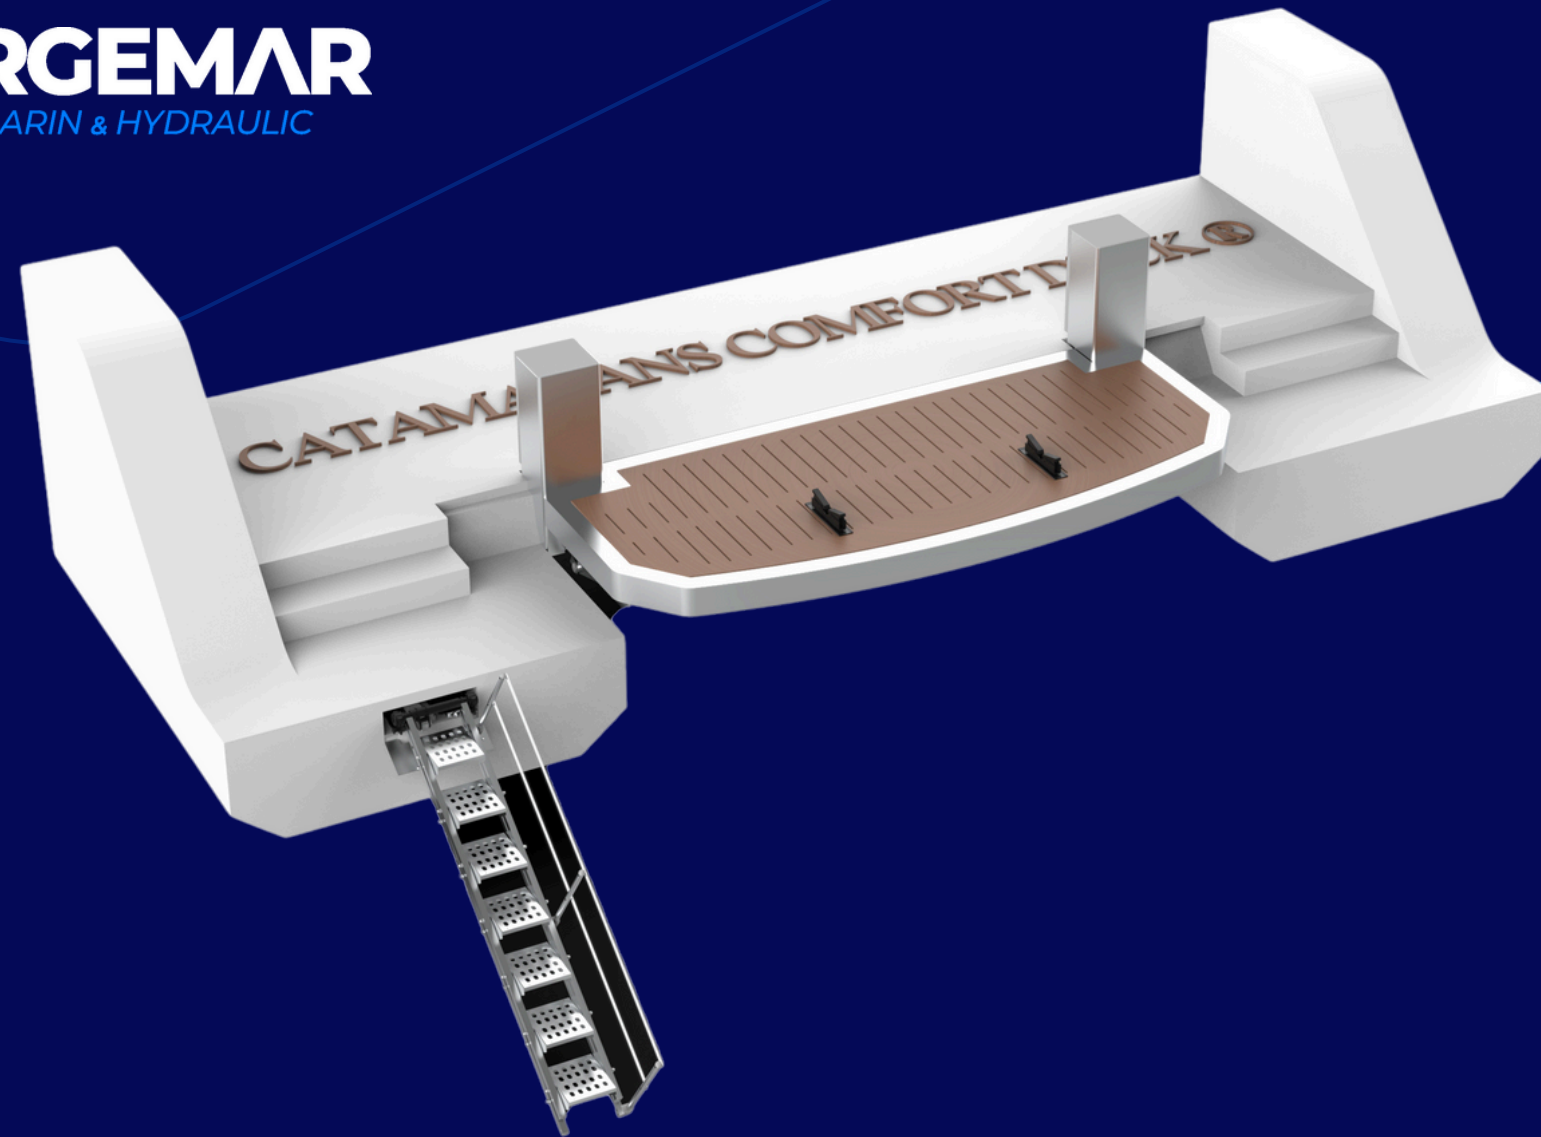

**Argemar's custom hydraulic platform is manufactured from the highest-grade stainless steel and is engineered to transform your yacht's stern into a luxury terrace at sea level.**

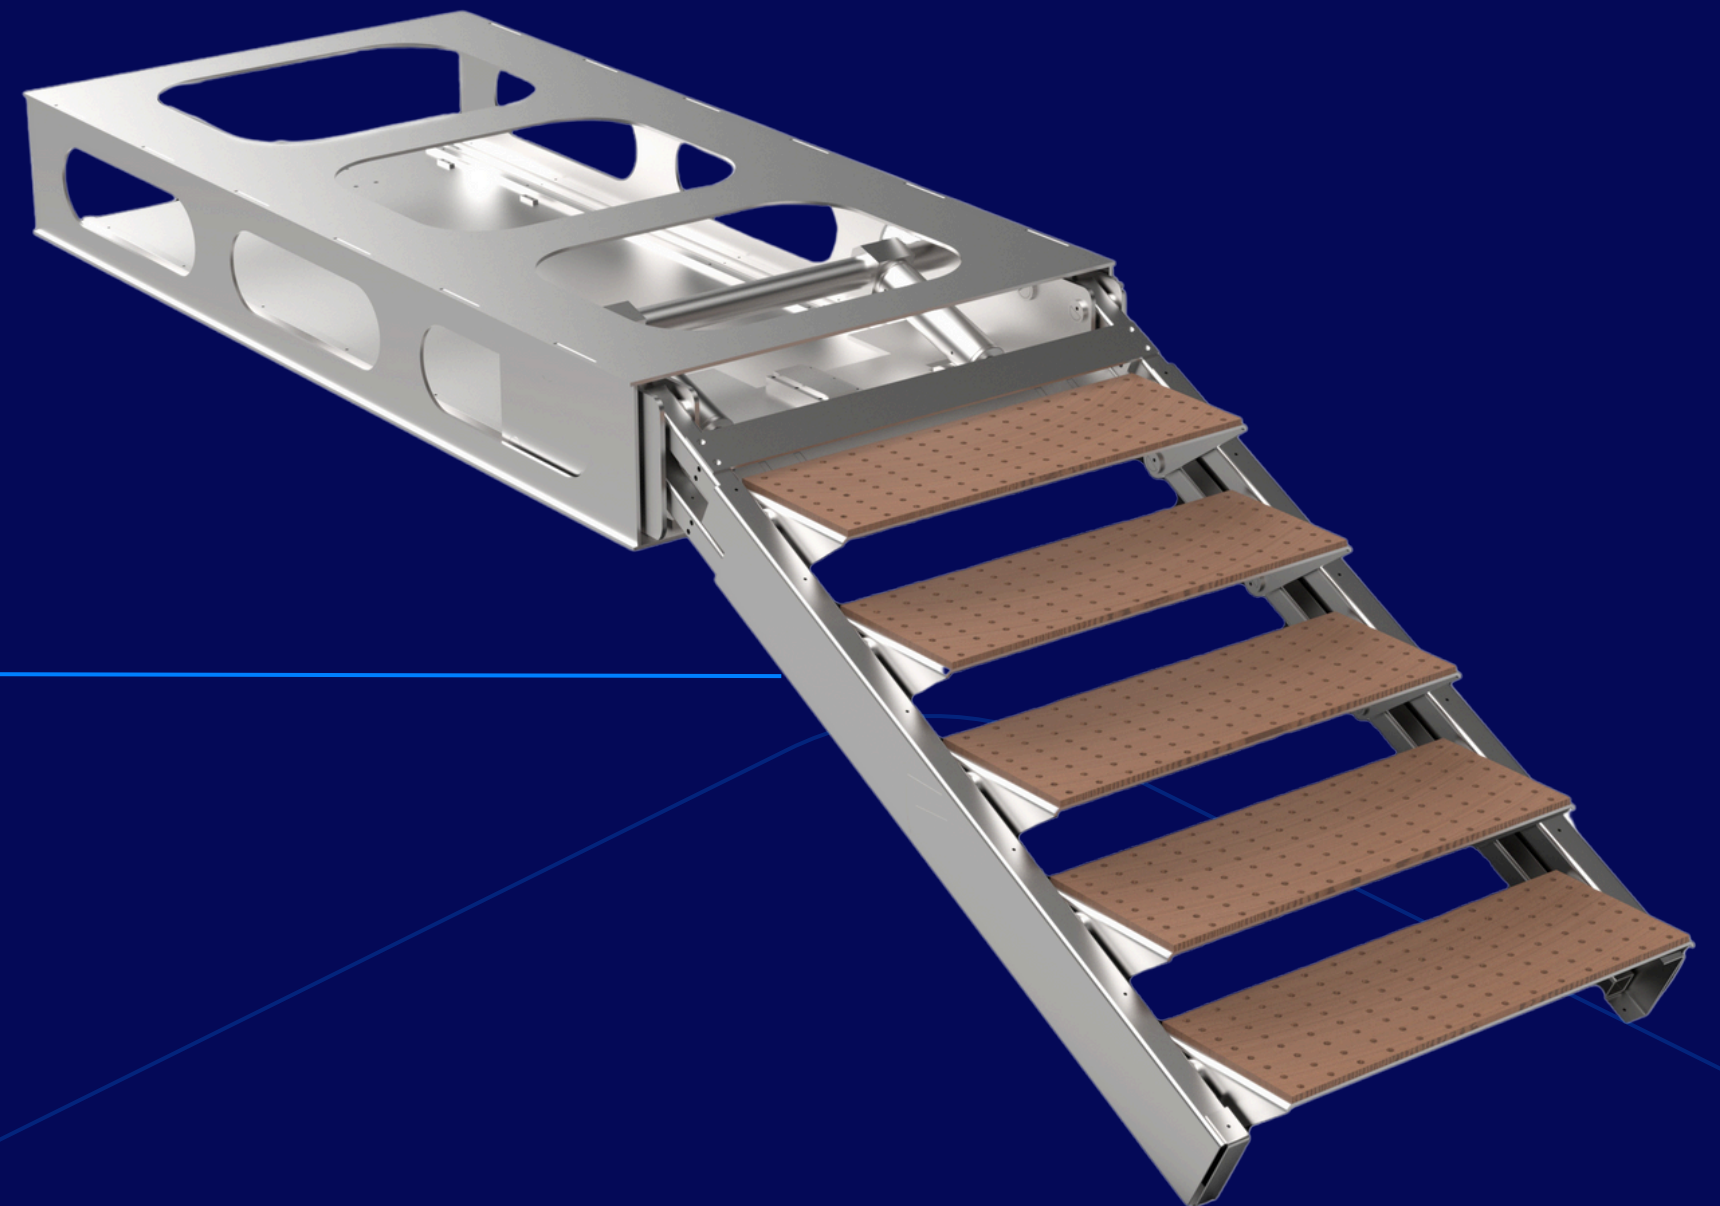

**SEAMLESS CONNECTION TO THE SEA**

• *Catamarans Comfort Deck*

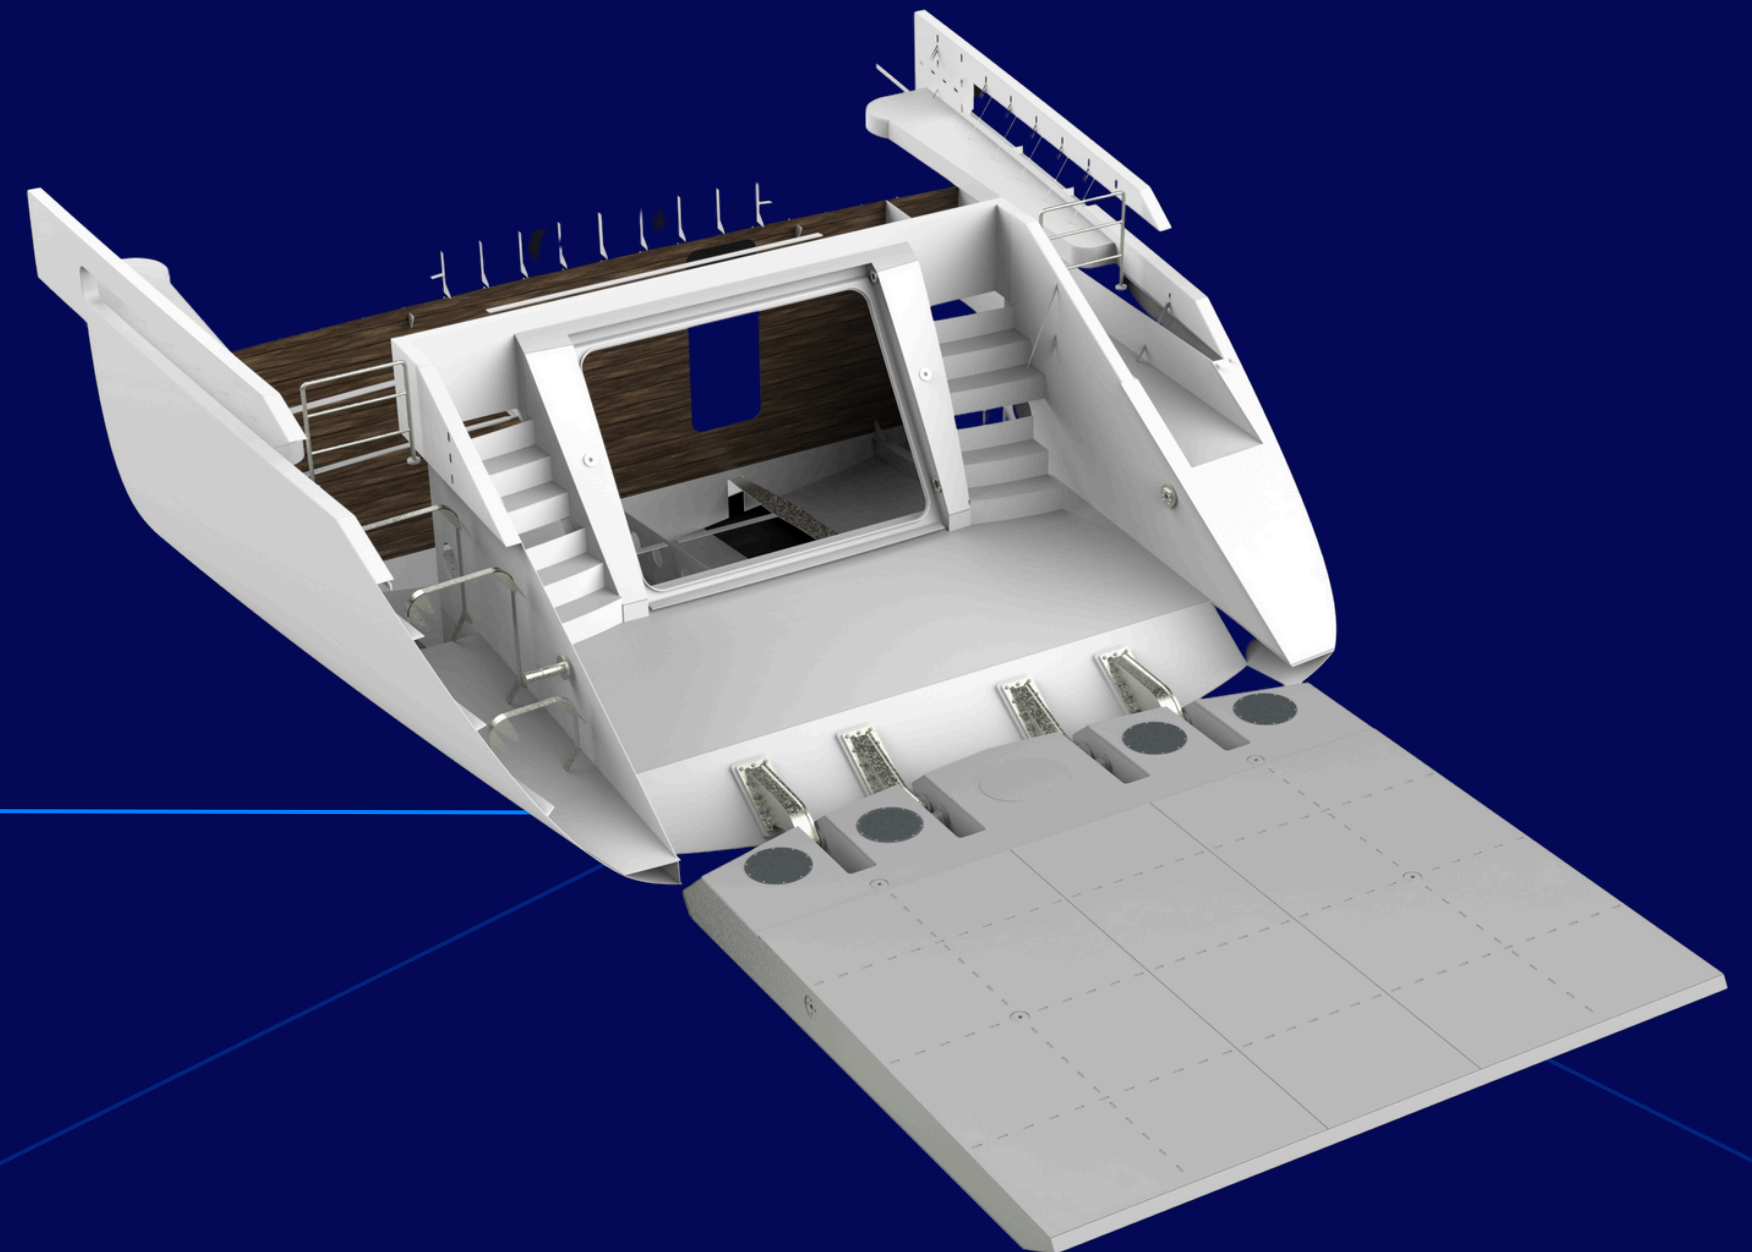

*Hydraulic Marine Stairway* •

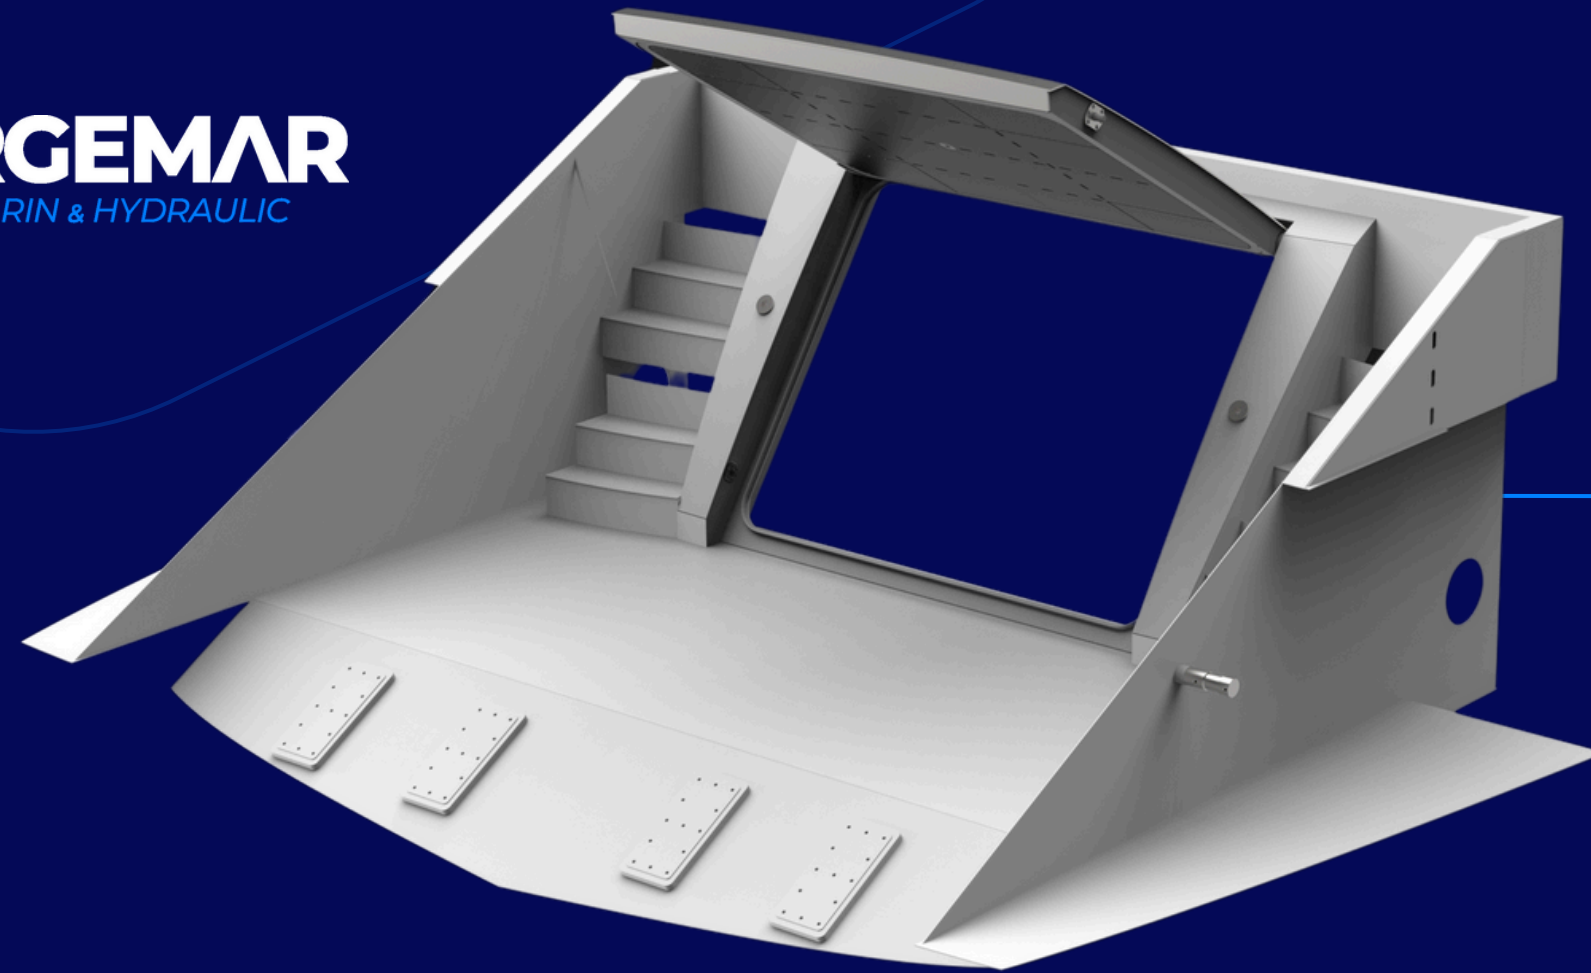

• Multifunctional Ladder

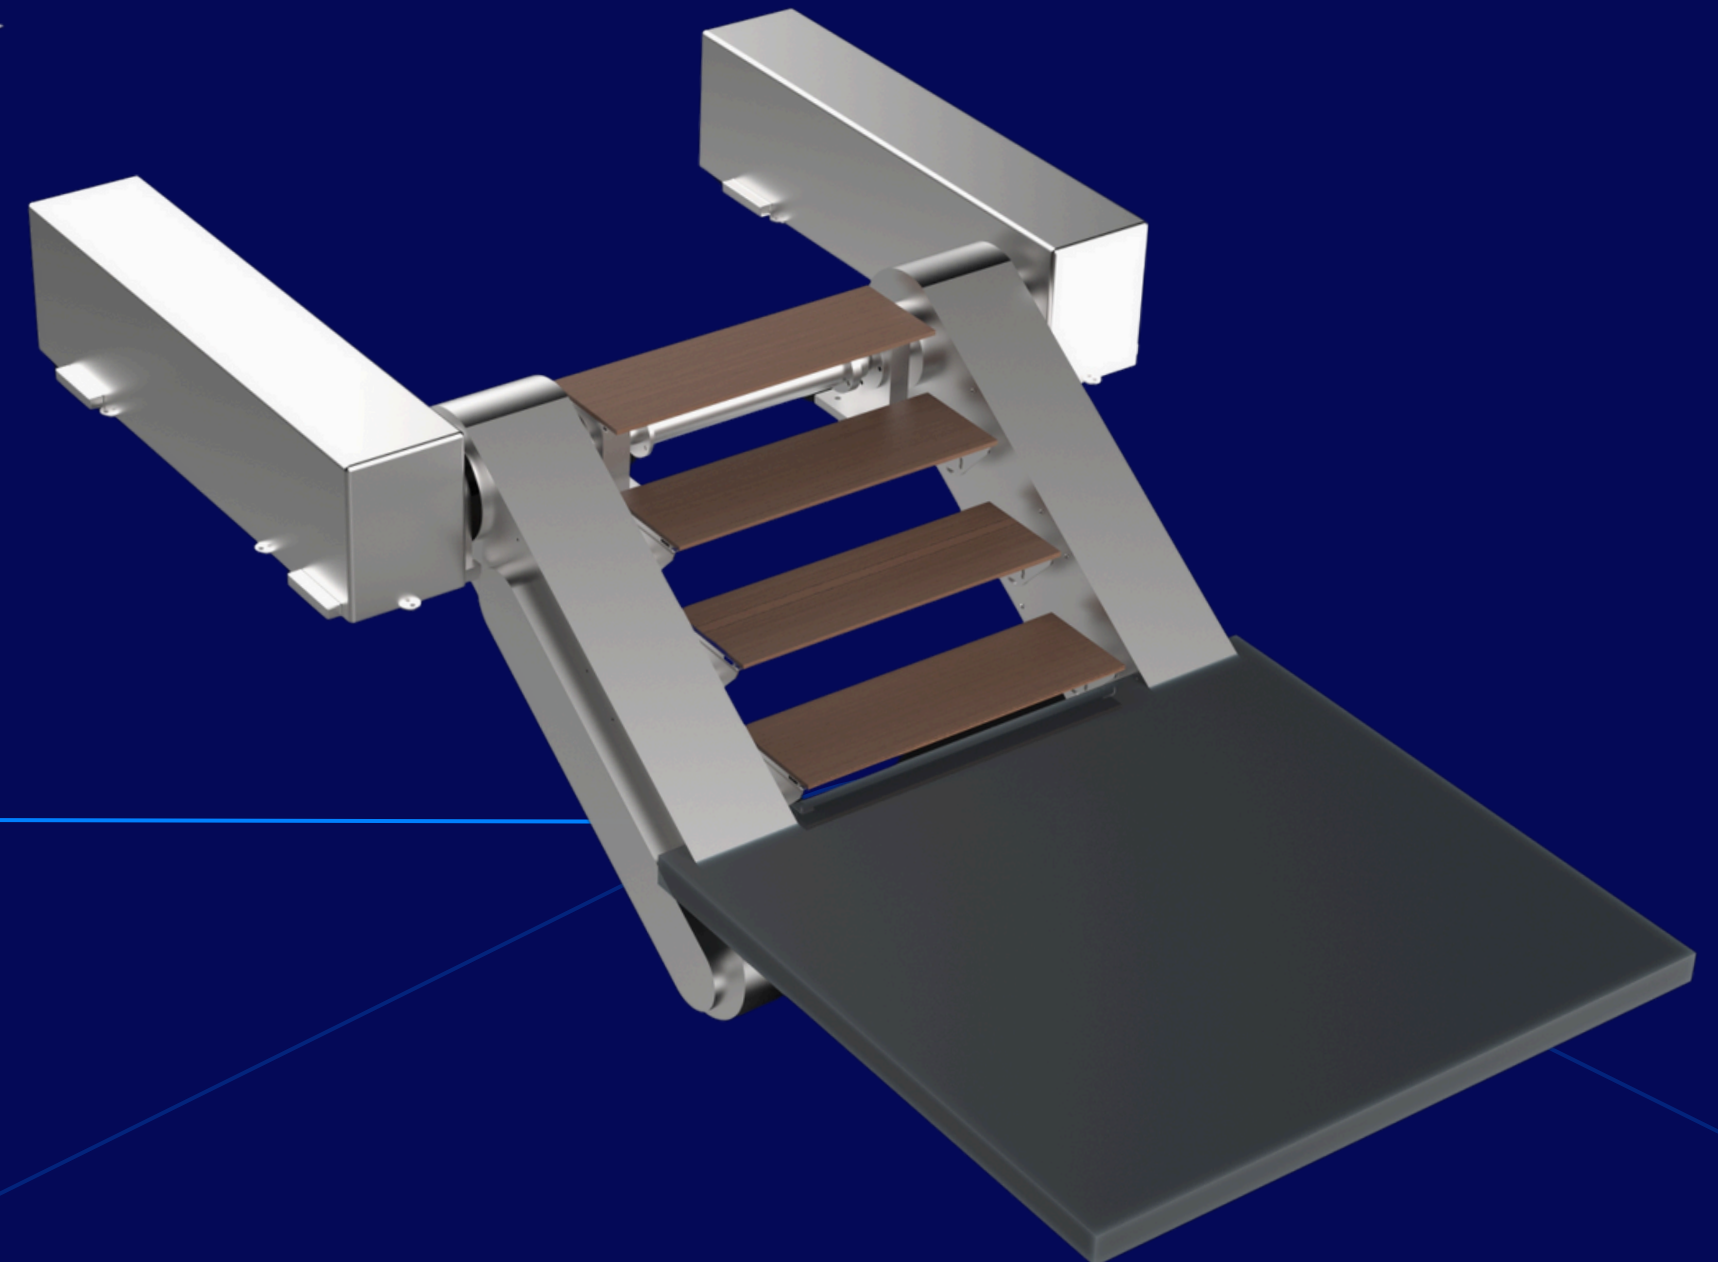

Hydraulic Platform •

• Hydraulic Sealed Door

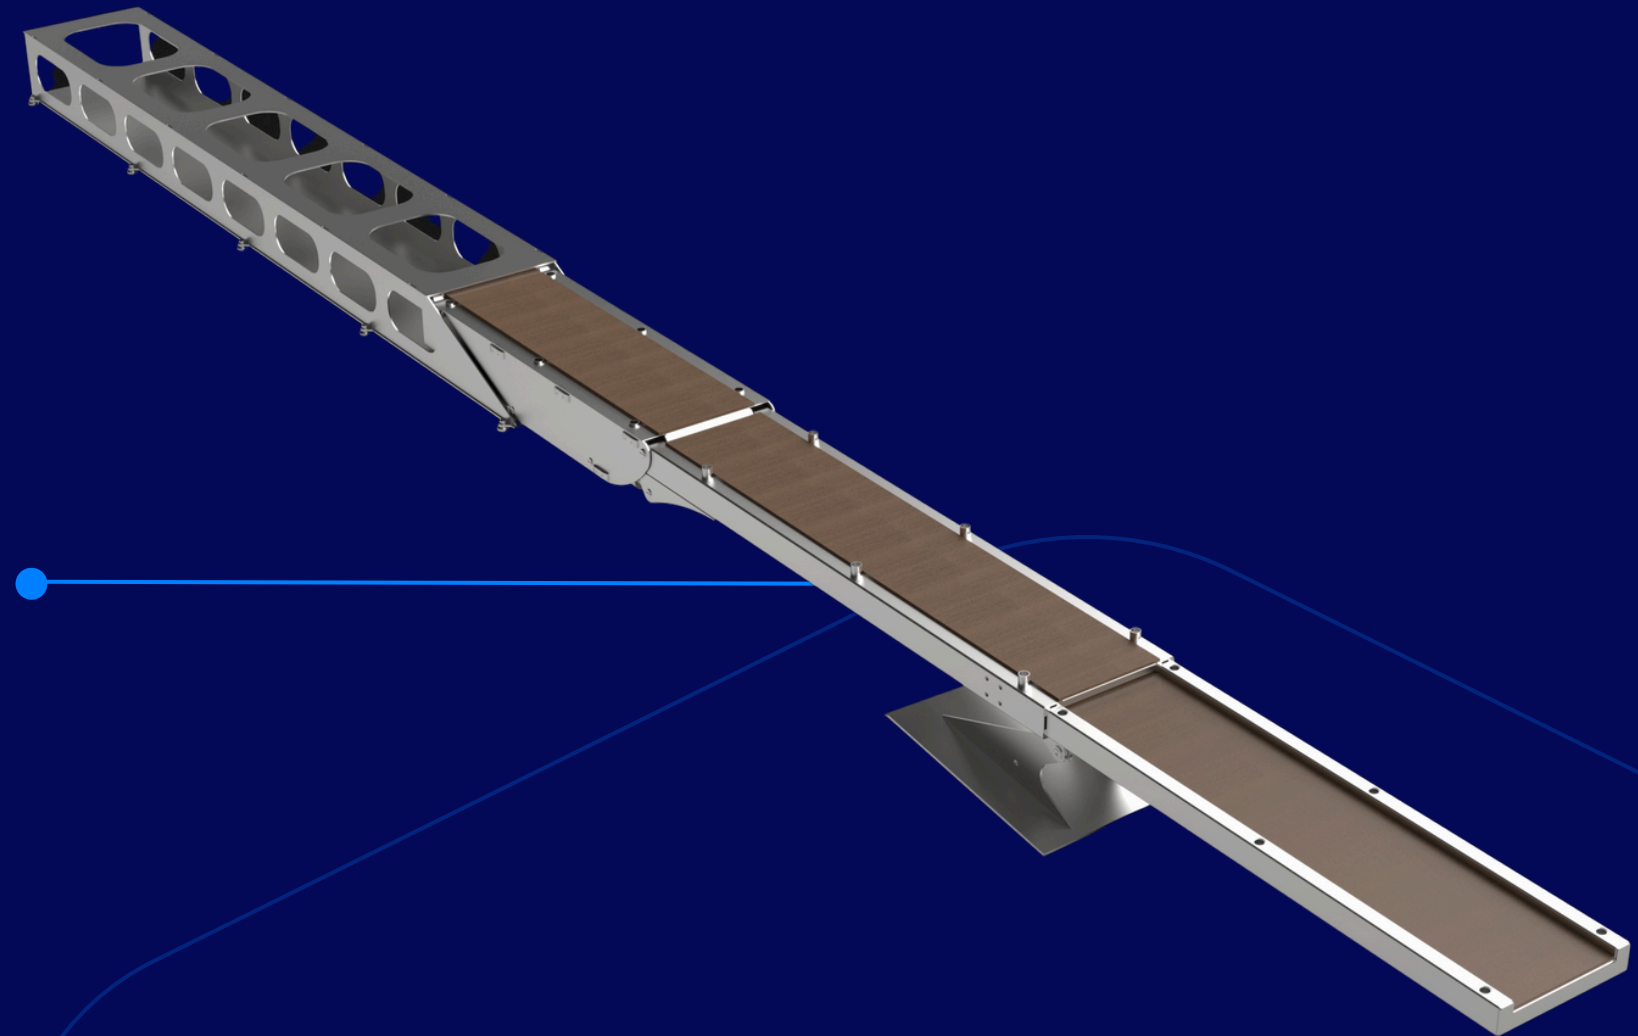

Boarding Ladder •

• *Hydraulic Platform Mechanism*

*Telescoping Hydraulic Pasarella* •

# SHIPYARD MOTION

***CUSTOM LIFTING EQUIPMENT***

***TOWED TRAILER SYSTEMS***

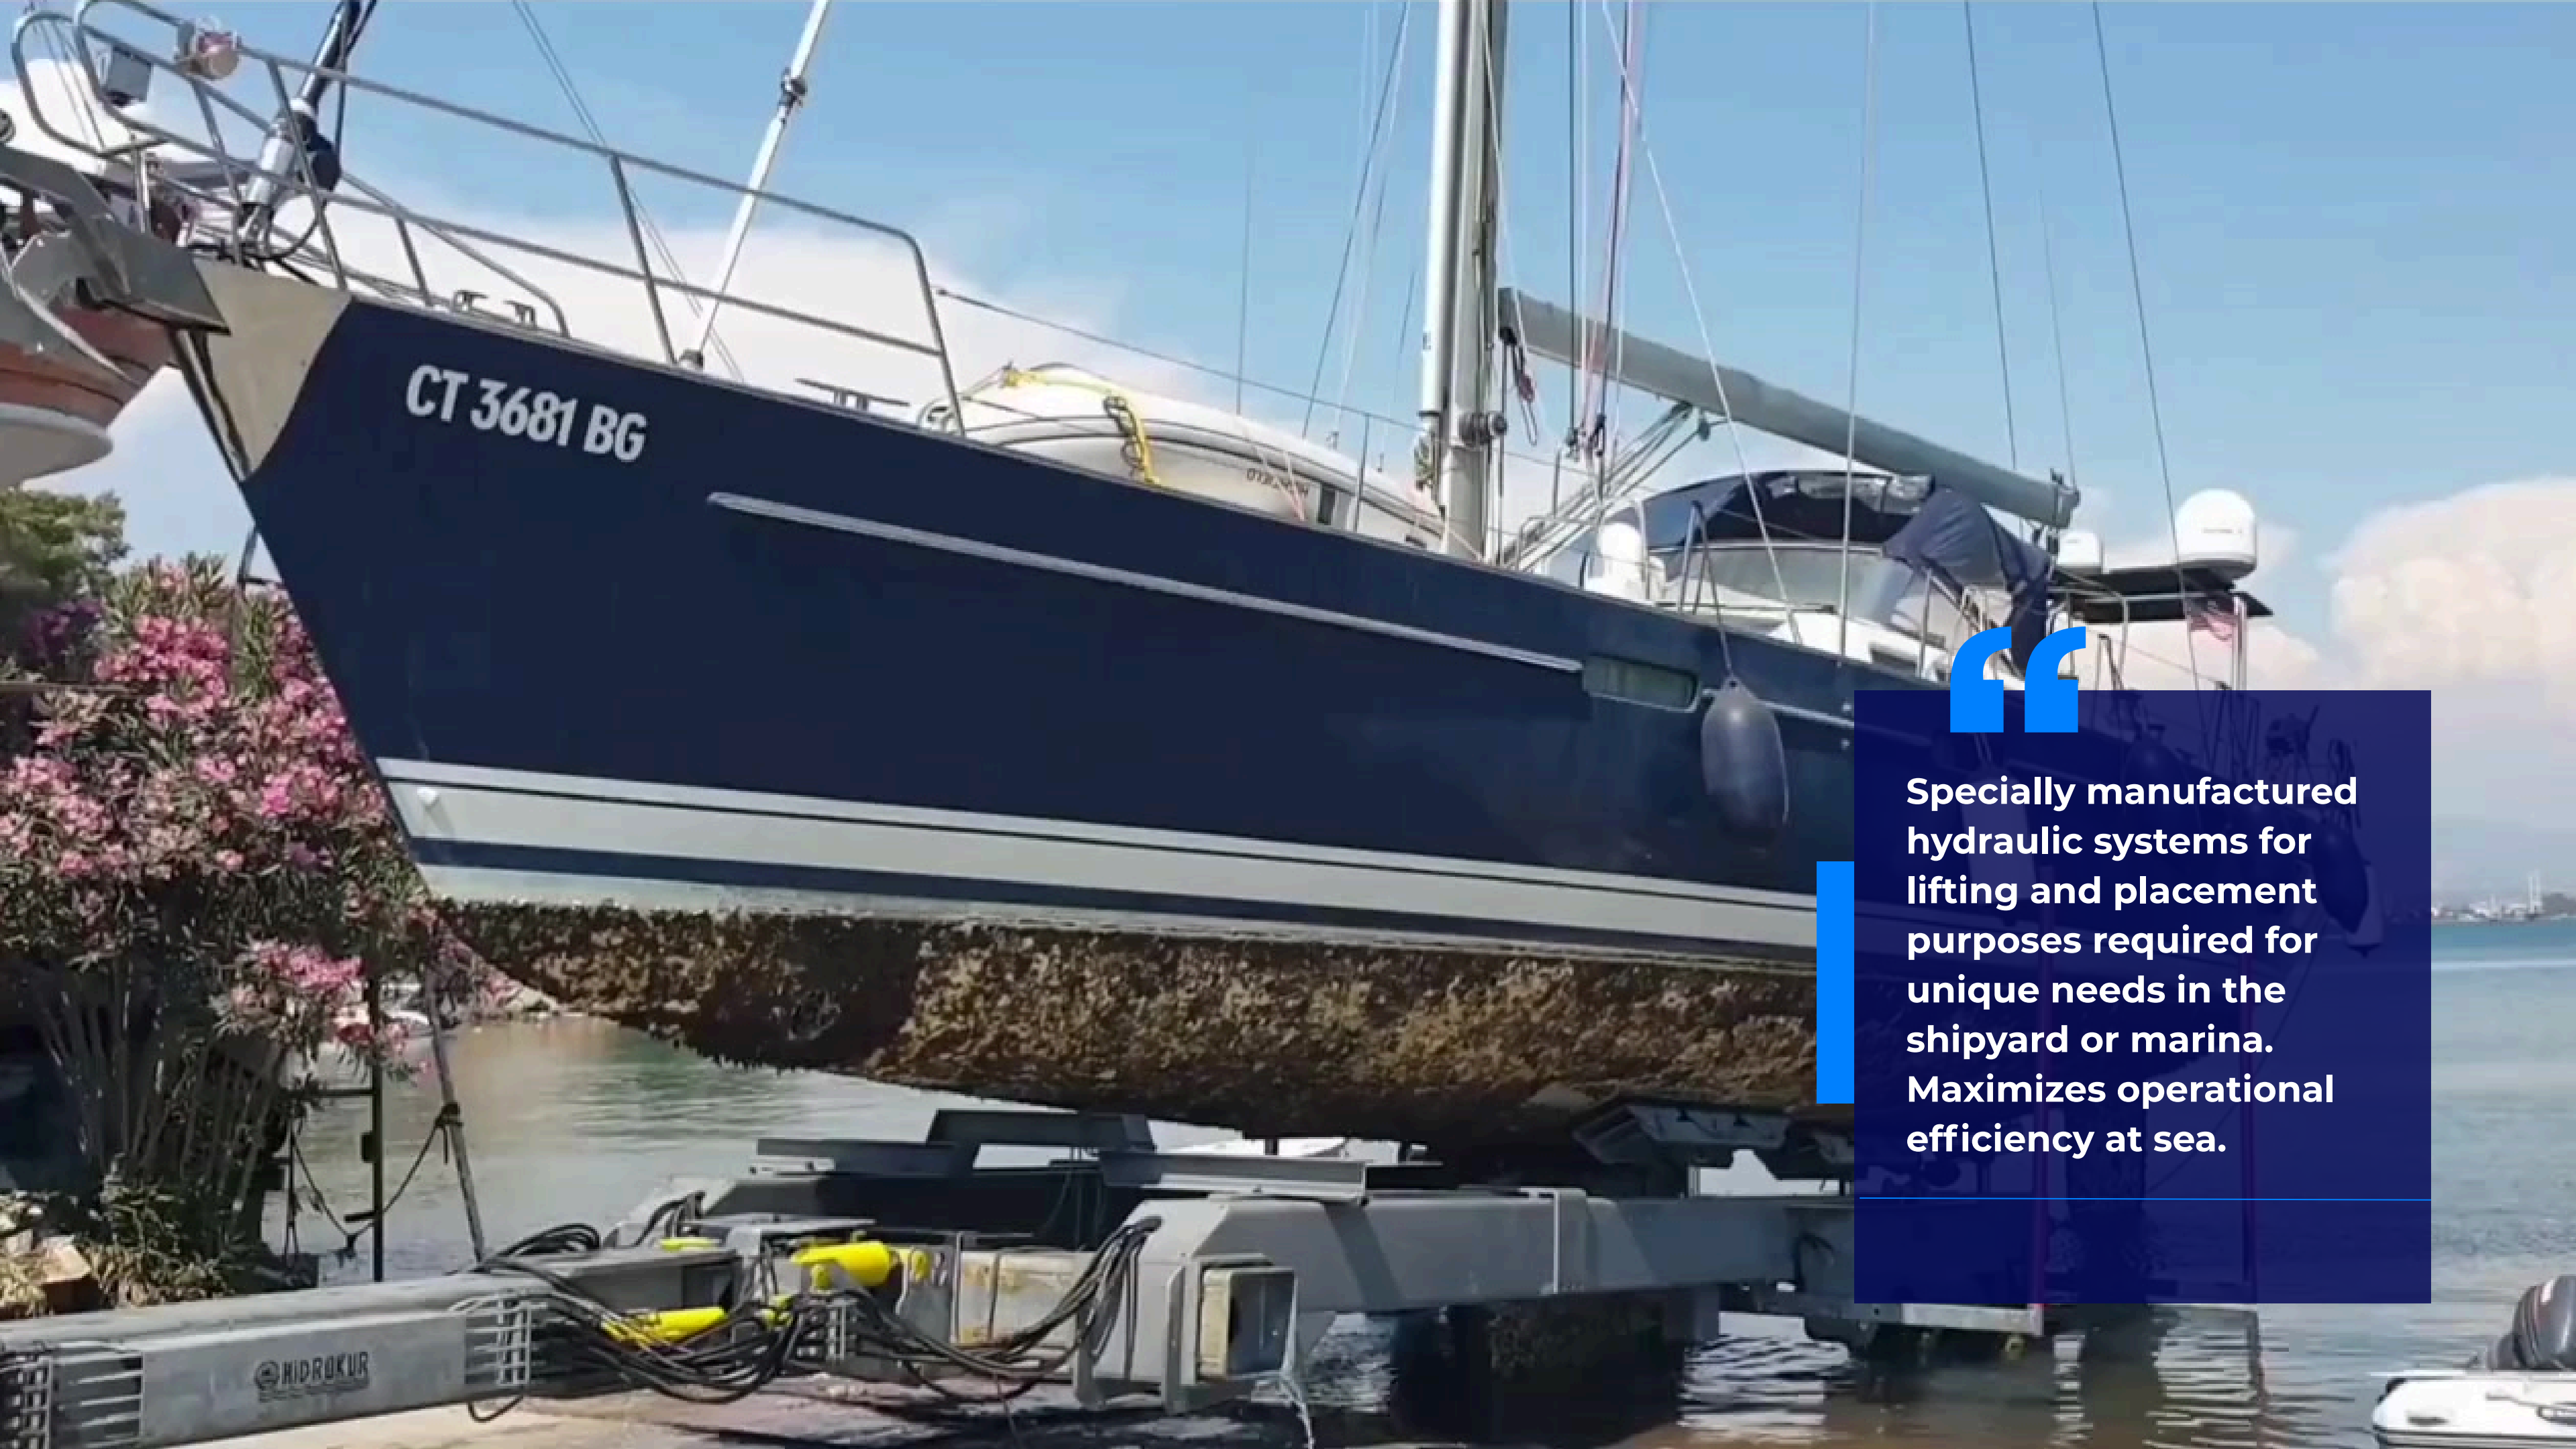

***SELF-PROPELLED DIESEL***

***AMPHIBIOUS SHIPYARD***

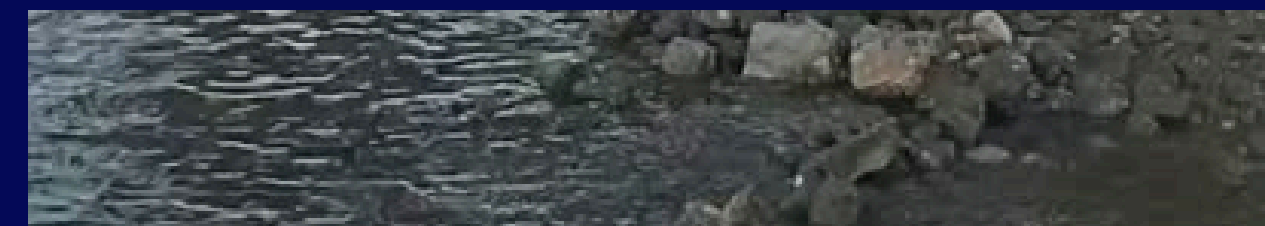

**Specially manufactured hydraulic systems for lifting and placement purposes required for unique needs in the shipyard or marina. Maximizes operational efficiency at sea.**

 **HIDROKUR**

**MASTERING THE SEA-TO-LAND TRANSIT**

# ***AMPHIBIOUS SHIPYARD***
